You are. I am asking you to review the Draft and give me your comments. You have not and will not. He has entered an order. This is not voluntary. **No one is giving you a stay.** Here is what I am going to do. I am going to break trial Thursday night and drive up to see you in Brooklyn Friday morning.

Do what you want but you are making one mistake after the other. There is no such thing as a stay. There is an adjournment which will enable us to do what we need to do and which the government has consented to.
